Domestic Mold Making - Right in Your Backyard

PMG welcomes you to visit anytime to witness firsthand the precision and attention that goes into manufacturing each tool. Whether it's observing a tool in the process of being made at Industrial Molds or seeing a completed tool ready for sampling at Pyramid Plastics, we believe in complete transparency. Step inside and experience the advanced technology and unwavering attention to detail that define our manufacturing process. At our facility, we don't just build tools; we build trust.
